

## **Sofitel Mansion & Spa Conference Facilities**

Sofitel Mansion & Spa redefines the Australian conference and event scene.

With beautiful venues for groups from 10 to 200, Sofitel Mansion & Spa is purpose-designed for executive retreats, meetings, banquets, conferences, weddings and special incentive events.

Sofitel Mansion & Spa has all the features of a major European resort, but it is situated just over 20 minutes south-west of Melbourne and handy to the airport.

The Hotel has 91 contemporary guestrooms, a signature restaurant and bar, cutting-edge conference and meeting facilities, together with extensive recreational activities, diversions and amenities.

Golf, tennis, Le Spa and gymnasium, and many adventure activities may all be utilised by conference guests. The Hotel has its own vineyard and winery, for tastings, wine appreciation courses and cellar-door sales. And there are many quiet places for retreat in hectares of the hotel's many formal gardens.

### **Boardrooms/Meeting Rooms**

Three smaller boardrooms, two large meeting rooms and a Grand Ballroom are located within the hotel, with an additional three external venues – The Theatre, The Pavilion and Shadowfax Winery. Each offers state-of-the-art audio-visual facilities.

### **The Theatre**

Beautifully refurbished, The Theatre provides seating for a maximum of 120 guests in banquet-style. French doors open onto the gardens providing a wonderful outdoor environment for conference delegates.

### **The Pavilion**

The Pavilion is a purpose-built function room with an outdoor deck and floor to ceiling windows designed to maximise views over Chirnside Polo Oval. The Pavilion provides seating for a maximum of 120 guests.

### **Shadowfax Winery**

Overlooking hectares of vines, Shadowfax Winery has a contemporary cellar-door sales area, a gourmet deli and foodstore, a beautiful underground Barrel Room, a BBQ and wood-fired pizza oven amidst the magnificent landscaped surroundings and vineyard.

### **Audio-Visual Capabilities**

Extensive and purpose-designed audio-visual capabilities, including standard audio-visual equipment, data projection and high-speed internet access, have been provided for the needs of conference delegates and guests.
